NATUR*

Barmbeker Natur is stored for a long time and bottled unfiltered. This gives the beer its special variety of aromas and maximum intensity of flavor, with fine fruitiness meeting malty sweetness

HELL*

With its fresh aroma hops and the best malt from summer barley, it is suitable for all occasions. A balanced, drinkable beer.

DUNKEL*

Traditionally brewed in a copper brew kettle. The dark barley malt gives the Barmbeker Dunkel its color with a caramel-like taste - a drinkable beer with a slightly bitter taste.
