BARMBEKER
Schachcafé

FOOD & DRINKS

Some places you step into and feel at home straight away.
The Barmbeker Schachcafé is exactly that kind of place.

Since 1913, this listed former station building has stood at the historic Rübenkamp S-Bahn station. Once, people arrived here, changed trains and travelled on. Today, it is a place to stay.

A meeting point in the heart of Barmbek. For regulars and new faces. For chess players, groups of friends, families and everyone who loves good, honest food.

On the table you will find down-to-earth, hearty home cooking. Together with a freshly tapped beer, a nice chat and, if you like, a relaxed game of chess. Just as it has been for many years.

We are especially proud of our own Barmbeker beer: freshly brewed and full of character, in four varieties – Natur, Hell, Dunkel and Weizen. Have not tried it yet? Then it is high time you did.

Lovely to have you here.
